Summary

Hi! I am Shreyas Ramasubramanian. I am a first-year undergraduate student pursuing a B.Tech + MS by Research Dual Degree in Computer Science at the International Institute of Information Technology, Hyderabad (IIITH). My academic interests include mathematics, data science, artificial intelligence, and computer programming, and I am looking at exploring these fields and trying out some more.

For most of my school years, I captained the basketball team, where we went on to win a lot of tournaments. Currently, I represent the college basketball team, and am an active member of the Amateur Sports Enthusiasts Club(ASEC). My achievements in sports include being one of the prospects for the Karnataka State Basketball team of the U13 category in 2019, and my achievements in academics include a Gold Medal in the National Science Olympiad (NSO) in 2021.

In my free time, I enjoy gaming, dancing, and embracing new experiences.
